www.townofbeloit.org

The Town of Beloit will continue to issue building permits and perform building inspections, as long as they can be done safely and in compliance with social distancing requirements.

Please consider the guidance provided in the Governor's "Safer At Home" order, that "optional or aesthetic construction should be avoided" at this time.

Due to the closure of Town offices to the public, all applications and permit fees will need to be mailed to the Town Hall at 2445 S. Afton Rd, Beloit, WI 53511, or dropped in the entryway drop box.

Thank you,
Tim Kienbaum
Community Development Director & Building Inspector
